

STIHL Cut-Off Saws — Price & Product Guide |

May 2026

Due to STIHL increasing their prices, this is the current price file as of May 2026. Prices are subject to change due to fluctuations in costs; the Seller reserves the right to amend prices and terms without prior notice. Goods will be invoiced at prices ruling at date of delivery. All prices are exclusive of VAT at the current rate unless expressly stated otherwise.

Products in This Guide

1. STIHL TS410 Petrol Cut-Off Saw — 12"
2. STIHL TS420 Petrol Cut-Off Saw — 14"
3. STIHL TS910i Petrol Cut-Off Saw — 16"
4. STIHL TSA230 Cordless Cut-Off Saw — 9"
5. STIHL TSA300 Cordless Cut-Off Saw — 12"
6. STIHL TSA500 Cordless Cut-Off Saw — 14"

STIHL TS410 Petrol Cut-Off Saw — 12"

PETROL

SKU	STI0001
Stihl OEM Ref	4238 011 2800

Professional Performance Features

- **3.2kW high-performance engine** – Powerful cutting through the toughest materials
- **Stratified charge system** – Efficient fuel combustion for maximum power delivery
- **12" (300mm) cutting capacity** – Optimal size for versatile professional applications
- **Extremely low vibration** – Just 3.9 m/s² for comfortable extended operation
- **Compact, robust design** – Professional durability in a manageable package

Advanced Maintenance Features

- **Long-life filter system** – Extended service intervals for maximum uptime
- **Cyclone pre-separation technology** – Eliminates need for on-site filter maintenance
- **Professional reliability** – Proven track record in demanding commercial environments

Pricing

Quantity	Price (excl. VAT)
Single Unit	£620.00
6 Units (Quarter Pallet)	£610.00 per unit
12 Units (Half Pallet)	£590.00 per unit
24 Units (Full Pallet)	£565.00 per unit

STIHL TS420 Petrol Cut-Off Saw — 14"

PETROL

SKU	STI0007
Stihl OEM Ref	4238 011 2810

Enhanced Cutting Capabilities

- **14" (350mm) cutting capacity** – Increased depth for larger diameter materials
- **Enhanced versatility** – Tackles bigger jobs with professional confidence
- **Professional power delivery** – Robust engine performance for demanding cuts
- **Proven TS410 reliability** – Built on the foundation of our bestselling model
- **Superior cutting efficiency** – More material capacity per pass

Professional Advantages

- **Increased productivity** – Larger cutting capacity reduces job time
- **Versatile application range** – Handles both standard and oversized materials
- **Professional durability** – STIHL’s renowned build quality and reliability
- **Enhanced job capability** – Takes on projects beyond standard cut-off saw limits

Pricing

Quantity	Price (excl. VAT)
Single Unit	£625.00
6 Units (Quarter Pallet)	£615.00 per unit
12 Units (Half Pallet)	£595.00 per unit
24 Units (Full Pallet)	£570.00 per unit

STIHL TS910i Petrol Cut-Off Saw — 16"

PETROL

SKU	STI0066
Stihl OEM Ref	TB01 011 2820

Flagship Performance Features

- **16" (400mm) cutting capacity** – Maximum depth for the most demanding professional applications
- **Electronic fuel injection (EFI)** – Optimised fuel delivery for consistent power across all conditions
- **Powerful 4.4kW engine** – Class-leading output for heavy-duty cutting tasks
- **Anti-vibration system** – Reduced fatigue during prolonged use on site
- **Integrated water connection** – Suppresses dust for cleaner, safer cutting environments

Advanced Technology & Reliability

- **Digital ignition management** – Automatic adaptation to altitude and temperature
- **Long-life air filtration** – Cyclone pre-separation keeps filter cleaner for longer
- **Heavy-duty blade guard** – Superior protection and blade stability at high speed
- **Tool-free blade change** – Quick disc replacement for minimal downtime on site

Pricing

Quantity	Price (excl. VAT)
Single Unit	£1,400.00
6 Units (Quarter Pallet)	£1,300.00 per unit
12 Units (Half Pallet)	£1,250.00 per unit
24 Units (Full Pallet)	£1,150.00 per unit

STIHL TSA230 Cordless Cut-Off Saw — 9"

CORDLESS

SKU	STI0012
Stihl OEM Ref	4864 011 6600

Cordless Convenience & Performance

- **9" (230mm) diamond-ready blade** – Precise cutting in concrete, masonry, and asphalt
- **Zero exhaust emissions** – Ideal for indoor use and emission-sensitive environments
- **STIHL AP battery system** – Compatible with the full STIHL AP cordless platform
- **Compact and lightweight** – Reduced operator fatigue for extended use
- **Integrated water connection** – Wet cutting option for dust suppression

Practical Advantages

- **No fuel mixing or carburettor servicing** – Lower maintenance overhead between jobs
- **Low noise operation** – Suitable for noise-restricted work sites and residential areas
- **Instant start every time** – Battery-powered reliability regardless of temperature
- **Tool-free blade change** – Fast disc swaps to keep work moving

Pricing

Quantity	Price (excl. VAT)
Single Unit	£370.00
6 Units (Quarter Pallet)	£360.00 per unit
12 Units (Half Pallet)	£355.00 per unit
24 Units (Full Pallet)	£350.00 per unit

STIHL TSA300 Cordless Cut-Off Saw — 12" CORDLESS

SKU	STI0046
Stihl OEM Ref	TA02 011 6600

Professional Cordless Cutting

- **12" (300mm) cutting capacity** – Optimal size for versatile professional applications
- **Zero exhaust emissions** – Clean operation for indoor and restricted-access sites
- **STIHL AP battery platform** – Interchangeable batteries across the full AP range
- **Robust, professional build** – Designed for rigorous daily use on demanding sites
- **Integrated water connection** – Dust suppression for cleaner, healthier work environments

Operational Benefits

- **Reduced noise levels** – Lower dB output versus petrol equivalents
- **Minimal maintenance** – No carburettor, no spark plugs, no fuel management required
- **Instant power on demand** – Consistent performance throughout the battery charge
- **Ergonomic handle design** – Balanced weight distribution for improved handling and control

Pricing

Quantity	Price (excl. VAT)
Single Unit	£650.00
6 Units (Quarter Pallet)	£640.00 per unit
12 Units (Half Pallet)	£630.00 per unit
24 Units (Full Pallet)	£620.00 per unit

STIHL TSA500 Cordless Cut-Off Saw — 14"

CORDLESS

SKU	STI0071
Stihl OEM Ref	TA01 011 6600

High-Performance Cordless Cutting

- **14" (350mm) cutting capacity** – Increased depth for larger diameter materials
- **Zero exhaust emissions** – Fully emission-free — ideal for indoor and restricted-access sites
- **STIHL AP battery platform** – Compatible with the full STIHL AP cordless battery system
- **Powerful brushless motor** – Maximum efficiency and consistent power throughout the charge
- **Integrated water connection** – WSA40-compatible dust suppression for cleaner cutting

Professional Site Advantages

- **Low noise operation** – Significantly reduced dB levels versus petrol equivalents
- **Minimal maintenance requirements** – No carburettor, fuel mixing, or spark plug servicing
- **Instant, reliable starting** – Consistent performance regardless of ambient temperature
- **Ergonomic anti-vibration design** – Reduced operator fatigue during extended cutting sessions
- **Tool-free blade change** – Quick disc swaps to keep productivity high on site

Pricing

Quantity	Price (excl. VAT)
Single Unit	£960.00
6 Units (Quarter Pallet)	£940.00 per unit
12 Units (Half Pallet)	£925.00 per unit
24 Units (Full Pallet)	£905.00 per unit
